INVITATION

In an era of minimally invasive treatments, the success of diagnostic EUS in biliopancreatic pathologies and technologic advances has enhanced the interest of clinicians in performing EUS as an effective diagnostic and therapeutic tool.

Infection control matters to us.
Does it to you?

Tecmed Africa, Boston Scientific and PENTAX Medical cordially invites you to attend the

BILIOPANCREATIC SOLUTIONS SYMPOSIUM

Includes theory, live case demonstrations and hands-on training.

CPD Accredited

26-27 November 2019

Kloof Mediclinic
511 Jochemus St | Erasmuskloof | Pretoria

HPBASA

Presented by:

Prof. Schalk van der Merwe

Schalk van der Merwe is an Associate Professor of Medicine in the Department of Gastroenterology and Hepatology at the University of Leuven (KU Leuven), Belgium. Having obtained his medical degree, MBChB, from the University of Pretoria in 1991, he then completed a residency in Internal Medicine in 1997 and his fellowship in Gastroenterology in 2000. In 2005, he obtained a PhD from the Free University of Amsterdam, the Netherlands. Since 2017, he has headed the Laboratory of Hepatology in the Department of Chronic Diseases, Aging and Metabolism (CHROMETA).

He has published more than 100 peer reviewed publications in the field of Gastroenterology and Hepatology, including publications in Nature, Gastroenterology, PNAS, Gut, Hepatology and the Journal of Hepatology. He is ad hoc reviewer for multiple journals including GUT, Journal of Hepatology and ENDOSCOPY. As a hepatologist and interventional endoscopist his clinical interests centre around the management of patients with liver disease including liver transplantation, as well as hepatobiliary interventions related to the liver, gallbladder and pancreas, including advanced ERCP and therapeutic EUS.

DAY 1 26 November 2019 17:00 – 21:30

Scientific Session (EUS & ERCP)

from Kloof Mediclinic

ERCP CASE PRESENTATION 1	Prof Van Der Merwe
Presentation: **Endoscopy - Infection prevention and new world data**	Prof Adam Mahomed
ERCP/CHOLANGIOSCOPY CASE PRESENTATION 2	Dr John Devar
Presentation: **Why infection control matters to me**	Xana Jardine – Head Education Infection Control SAFMED
ERCP/EUS CASE PRESENTATION 3	Dr Sean Burmeister
Presentation: **Infection control from a Clinicians perspective**	Prof Sandie Thomson
Presentation: **Infection control European Guidelines**	Prof Schalk vd Merwe
ERCP/EUS CASE PRESENTATION 4	Dr Chris Zaidy
Presentation: **PENTAX Medical - Biliopancreatic Solutions**	Anne Bunk

DAY 2 27 November 2019 08:00 – 18:00

Scientific Session (EUS & ERCP)
