13th Annual Emory Voice Center
Laryngeal Imaging and FEES Hands-On Workshop

February 3-4, 2017

The Emory Voice Center
Emory University School of Medicine
Department of Otolaryngology

For information, contact Brian Petty MA CCC-SLP at Brian.Petty@emoryhealthcare.org

This activity is offered for 1.25 ASHA CEUs (Intermediate level, Professional area).
The Emory Voice Center Laryngeal Imaging and FEES Hands-On Workshop has provided exceptional training in laryngopharyngeal endoscopy since 2004.

In addition to over five hours of direct, hands-on practice with a variety of endoscopic methods this course provides focused instruction in FEES and stroboscopic interpretation as well as insight into clinical decision-making and documentation and billing procedures.

Participants will learn techniques to optimize their skills in rigid and flexible endoscopy and flexible endoscopic evaluation of swallowing (FEES). Participants will also learn appropriate strategies for endoscope management, universal precautions, and the use of topical anesthetic.

Tuition includes a course syllabus, breakfasts, lunches, and other amenities involved in creating a rewarding learning experience. This course has a maximum capacity for registration, so please register early. Written cancellations on or before to January 15, 2017 will be refunded less a $100 administrative fee. Cancellations after January 15, 2017 are NON-REFUNDABLE and NON-TRANSFERABLE. Program agenda is subject to change without notice.
